News, Announcements, and Reminders

Walker Families,

The very best thing about Walker is the diversity of our families and staff. Our families are unique in many ways - culture, religion, ethnicity, race and family structure.

The greater Village of Skokie is incredibly diverse as well and approximately 28% of the residents here are Jewish.

The war in Israel and the horrors transpiring there and in the Gaza Strip impact many students and families in our community.

Please know our mental health team will do whatever we can to support any student in need.

Many parents have already reached out to my team, and I encourage you to do so if your child needs someone to talk to.

James
