If you didn't know, Ms. Panagiotidis and Ms. Jaddaoui are retiring this year after 30+ years in education!

Please see their notes to the community below and join me in wishing them the best in their well deserved retirement.

Dear Walker Students and Families,

It has been an honor to serve Walker School for the past 34 years.

As I prepare for my transition into retirement, lots of memories have come flooding back making me realize how much has changed over all these

years. The one constant has been the supportive Walker School community! I have thoroughly enjoyed teaching and learning with Walker students (and staff). Whether directly one of my English Learners or a classmate in the classes I've pushed into, I consider myself lucky to have been able to get to know each and every one of these hundreds and hundreds of beautiful children.

My heart is full. I wish you all more amazing learning experiences throughout the years ahead and hope each of you finds a way to share a part of yourself to make this world a better place for ALL!

Much love and respect,

Mrs. Noelle Jaddaoui

EL Teacher

Dear Families,

After 34 plus years of teaching at Walker School (I even did my student teaching at Walker) I will be retiring at the end of this year. The time has flown by for me and I feel grateful for having had the opportunity to serve the Walker community and teach hundreds of students throughout my career. I was even lucky enough to teach the children of some of my former students. I have always considered my students as my second family or "my family away from home".

Thank you to everyone for your support and for entrusting me with your students' learning and well-being. I feel so blessed to have been a part of your students' educational journeys and I will always cherish the special memories we shared.

With gratitude,

Tina Panagiotidis
