Walker Families,

Tomorrow is a half day of school - dismissal is at 12:05 pm.

James

A few additional notes:

District 65 offers acceleration opportunities for students testing well above grade level through its [D65 Acceleration via Grade Skipping process](#). This option requires thoughtful planning, adherence to a specific timeline, and a clear understanding of the required steps. To support you in this process, we're sharing key resources, including links to the D65 website, which provides comprehensive information. Additionally, last fall's [acceleration meeting recording](#) may offer valuable insights as you consider this pathway. Staying informed and planning ahead will be essential to navigating this process successfully.

- Save the Date! The next virtual acceleration information meeting will take place on March 12, 6:00-7:00 p.m. via Zoom. Stay tuned for details, which will be shared by JEH.

Important Timeline:

April 11, 2025 – Deadline to submit acceleration [requests](#) for the 2025-2026 school year

May 19, 2025 – Families who submit by April 11 can expect a decision by this date

2026-2027 Requests – Will open at the start of the 2025-2026 school year

---

Ramadan Mubarak! If your child is fasting during the school day and you would like us to offer an alternative to the lunch room or an exemption from PE, please contact your child's teacher or me and we will work it out.
